

PROARGI-9+

CITRUS BERRY

Live life optimised with Synergy's ProArgi-9+.

Item# 92730
30 sachets

Synergy's premiere health enhancement product ProArgi-9+ is manufactured using state-of-the-art equipment after the raw ingredients undergo rigorous quality assurance testing procedures. Each batch of ProArgi-9+ is tested for contaminants down to the parts per trillion. One of the primary ingredients in ProArgi-9+ is L-arginine, a compound studied by many scientists who tout its health benefits.

ProArgi-9+ contains six essential vitamins: Vitamin C, Vitamin D3, Vitamin K, Vitamin B6, Vitamin B12, and folic acid. Each plays a vital role in supporting the body's overall performance. Vitamin C supports the normal functioning of the nervous and immune systems while also supporting proper energy levels and normal psychological function. Vitamin B6, Vitamin B12, and folic acid share a few health benefits with Vitamin C, but also support red blood cell formation and homocysteine metabolism. Vitamin K has a set of its own benefits, including supporting bone health and blood coagulation.

The combination of ingredients in ProArgi-9+ was meticulously formulated to support exceptional health. This product is pure, potent, and formulated to help you unlock your potential.

BENEFITS

- Comes in serving-sized sachets to take with you on the go
- Flavored for a refreshing, citrus taste
- Contains Vitamin C, which supports the proper functioning of the nervous and immune systems
- Contains Vitamin K, which supports bone health and blood coagulation
- Contains Vitamin B6, Vitamin B12, and folic acid, which supports red blood cell formation and homocysteine metabolism

KEY INGREDIENTS

- L-arginine
- L-citrulline
- Folic acid
- Vitamins: C, D3, K, B6, B12

RECOMMENDED USE

Mix 1 sachet (1 serving) into 240 ml of water. Take two servings per day with the Purify program. Stir or shake to dissolve. Store in a cool, dry place.
